INVENTORY OF STATISTICAL DATA
SUPPLIED BY STATISTICS CANADA
AND WHICH ARE USED IN DETERMINING
FEDERAL GOVERNMENT REVENUES AND EXPENDITURES

Policy, Planning & Evaluation Branch
Statistics Canada

April 10, 1979

Organization of the Listing of the Inventory

The inventory is designed to store and disseminate information on statistical data used in determining federal government revenues and expenditures as specified in federal legislation and/or regulations. At present, it includes information only on those data which are supplied by Statistics Canada.

The inventory is listed by user department or agency. For each user department or agency the information is presented in the following order:

1. Name of the act
2. Name of the regulation (if applicable)
3. Supplier department (Statistics Canada for this listing)
4. Data series titles.

USER DEPARTMENT OR AGENCY:

Department of Finance

ACT SPECIFYING USE OF STATISTICS:

Federal Provincial Fiscal Arrangements and Established
Programs Financing Act, 1977

REGULATIONS SPECIFYING USE OF STATISTICS:

Federal Provincial Fiscal Arrangements and Established
Programs Financing Regulations, 1977

SUPPLIER DEPARTMENT OR AGENCY:

Statistics Canada

DATA SERIES TITLE:

Intercensal and Post-censal Population Estimates

- Canada, Provinces and Territories
- Total population
- Selected age groups

Profits of Business Enterprises, at least 90% owned by
provincial governments

Amount of losses accumulated in the preceding financial
years

Average annual tax levy per cigarette

Quantity of domestic and foreign spirits sold

Quantity of domestic and foreign wine sold

Quantity of domestic and foreign beer sold

Revenue derived from the sale of crown leases and
reservations on oil and natural gas lands

Provincial revenues and expenditures

School purpose taxation

Cost of material used in construction

Capital expenditures on machinery and equipment

Capital expenditure on machinery and equipment for agriculture and fishing

Repair expenditures on machinery and equipment

Repair expenditures on machinery and equipment for agriculture and fishing

Value of residential net capital stock, in 1971 constant dollars

Value of non-residential net capital stock consisting of building construction in all industries other than building construction for local governments, schools, universities, hospitals, churches and other institutions, in 1971 constant dollars

Value added by logging activity

Amount of payments for stumpage and royalties

Volume of forestry production from crown land (CUNITS)

Total volume of forestry production (CUNITS)

Total value of marketable production of crude oil, synthetic crude oil and condensate

Total volume of net production withdrawals of natural gas

Total volume of marketable production of crude oil, synthetic crude oil and condensate

Value added by production in the mining industry, other than oil and natural gas

Subvention payments in relation to the production of a particular mineral

Value added by the production of the subsidized mineral

Gross value of the production of the subsidized mineral

Kilowatt hours of electricity generated by publicly and privately operated electric utilities and industrial establishments from hydro sources

Value of marketable production of natural gas, natural gas by-products and naturally occurring gaseous products

Total value of sales of retail locations

Total retail sales of food, excluding soft drinks

Total retail sales of children's clothing and footwear

Retail sales of motor vehicle fuel

Sales by service stations and garages

Total retail sales of tobacco and tobacco products

Retail value of new commercial vehicle sales

Total sales by hotels

Total sales by motels

Total sales by tourist courts

Receipts from admissions of regular motion picture theatre and drive-in theatres

Industrial selling price index for all trucks

Canada total of corporation profits before taxes (national accounts basis)

Wages and salaries, excluding supplementary labour income, by province

Military pay and allowances, excluding supplementary labour income, by province

Provincial government transfer payments to persons, by province

Local government transfer payments to persons, by province

Federal personal income tax, on a national accounts basis, by province

Employer and employee contributions to Unemployment Insurance, by province

Employer and employee contributions to the Canada Pension Plan, by province

Employer and employee contributions to the Quebec Pension Plan, by province

Personal income, by province

Net income received by farm operators from farm production, by province

Net change in farm-held inventories, by province

Gross National Expenditure Price Deflator

Per capita Gross National Product

Net provincial income at factor cost plus capital consumption allowances and miscellaneous valuation adjustments

Local and long distance telephone service revenue

Long distance telephone service point of origin adjustment data

Bell Canada operations - local and long distance telephone service and other operating revenues totalled and allocated to Ontario and Québec.

Quantity of gasoline sold on which tax was paid at road-use rates

Quantity of diesel fuel sold on which tax was paid at road-use rates

Number of passenger automobile registrations

Number of motorcycle registrations

Number of moped registrations

Births and Deaths (used for preparing estimates of population)

USER DEPARTMENT OR AGENCY:

Department of Transport

ACT SPECIFYING USE OF STATISTICS:

Aeronautics Act

REGULATIONS SPECIFYING USE OF STATISTICS:

Air Services Fees Regulations

SUPPLIER DEPARTMENT OR AGENCY:

Statistics Canada

DATA SERIES TITLE:

Air carrier traffic at Canadian airports: scheduled services

Air carrier traffic at Canadian airports: international charter services

Air carrier traffic at Canadian airports: non-scheduled unit toll services

Aircraft movement statistics

USER DEPARTMENT OR AGENCY:

Canadian Employment & Immigration Commission

ACT SPECIFYING USE OF STATISTICS:

Unemployment Insurance Act
